	39% Sidney
Free & Reduced Lunch	45% State
	12% Sidney
Special Education	15% State
	10% Sidney
Gifted	13% State
	2% Sidney
English Learners	7% State

The Sidney Public School District has six attendance centers that educate approximately 1300 students in grades PreK-12. In addition to providing a solid foundation in the core subjects, the District also offers before/after/summer school enrichment programs for students in grades K-6, dual credit secondary course offerings, and a wide variety of extra-curricular programs. We are continuing to build a strong 7-12 Career Pathways program that allows student job shadowing and internship opportunities. Student performance has been strong as evidenced by above average ACT and state assessment scores. The District employs an excellent staff of approximately 85 teachers, 10 administrators, and 40 paraprofessionals who work with students on a daily basis.
