

# SIDNEY

PUBLIC SCHOOLS

---

## 2022-2023 SCHOOL BOARD GOALS

1. Pursue leading edge trends in education to ensure that Sidney students are instructed via the very best educational practices. **(Learning, Future)**
2. Retain positive and effective relationships with Sidney's business community and Community College in order to enhance the Career Pathways programs. **(Culture/Future)**
3. Maintain a strategic financial vision that is fiscally responsible while maintaining instructional standards. **(Future)**
4. Increase student awareness and provide more opportunities for students to enhance interpersonal skills such as speaking, listening, questioning and teaming so they have the soft skills necessary for success in life after high school. **(Future/Culture)**
5. Promote strong School to Parent communication to improve student and parent engagement. **(Culture, Learning)**
6. Promote leadership concepts and respectful engagement of all students and staff. **(Culture, Future)**
